Skye wildlife watching at its very best

Let us Welcome You Aboard

to share our passion for coastal adventures

Seafaring on this coast for 35 years!

Wildlife Watching & Seascapes

Around Lochbay and it's islands you can enjoy seals and their pups, otters, nesting seabird colonies and birds on the wing, gulls, terns kittiwake and guillemot to name a few, while cormorants protect their cliffs, rafts of birds swim with young at sea and waders feast on the shores. Porpoise, occasionally dolphin and whales can be seen too! Visit Coral Beach, Ardmore Arches, with Macleods Tables on the horizon.

GO ASHORE AND EXPLORE

Escape to the fascinating Island of Isay. Discover its history and explore the ruins of a bygone fishing community. Walk its shoreline, observe the bird colonies and inhale the scent of wildflowers. Keep an eye on the sea beyond, watch for playful seals, and you may spot a porpoise or otter. Hear the call of the restless ocean, simply relax!

GO ASHORE ISAY ISLAND

Escape, spot wildlife and birds nests, peak into past island heritage, enjoy time-out from the bustle. Duration: **3.5hrs, 2 hrs ashore** | Cost: **£30pp**

ISAY ISLAND CASTAWAY

Take time to explore, photograph, draw, paint, write or picnic. Relax and enjoy the islands tranquility. Duration: **6hrs, 4.5hrs ashore** | Cost: **£35pp**

Wildlife Expectations

Cruise to the deeper Minch waters around Waternish Pt, and Neist Pt with towering cliffs and rainbows in waterfalls and where the mighty Cuillin and Hebridean Archipelago offer breathtaking seascapes. Whale, dolphin and basking shark sightings become more likely, while sea eagles fish to feed their young and teach them to hunt, puffins entertain and gannets plummet spectacularly into sparkling seas.

WILD SWIM, & SNORKEL

Boat supported wild swim and snorkelling in dynamic coastal locations. Soak up that wild ocean experience or peak into the vibrant world of kelp, shoaling fish and maybe a seal or two.

Duration: **2.5hrs** | Cost: **£25pp**
Private charter available.

FISHING

Experience the thrill of mackerel and pollock fishing, an island favourite.

FAMILY FRIENDLY

Duration: **1.5/2hrs**
Cost: **£80 family (4)**

EVENING FISHING

Duration: **2.5hrs**
Cost: **£30pp**

SUNSET WILDLIFE

As the sky is set ablaze, wildlife settles into a less frenzied pace. Absorb the colour, soak up the sounds. It is a must do experience. Then go ashore for a dram at historic Stein Inn
Duration: **2.5hrs** | Cost: **£25pp**

check website for seasonal offers 'pop up trips' and recent sightings

WILDLIFE . FAMILY FRIENDLY

Enjoy seals and their pups, seabirds, stories and maybe skipper the boat! keep watching, other wildlife may pop by! A stable vessel, it is ideal for small children who will be provided with lifejackets. Duration: **2hrs** | Cost: **£80 family (4) / pro rata**

WILDLIFE . LOCHBAY ISLANDS

Cruise to the seal and seabird colonies of Coral Beach, Lochbay Islands and Ardmore Arches, where antics of nesting and rearing will delight. Red deer, porpoise and dolphin may be seen too. Spring bluebells are magical. Duration: **2.5hrs** | Cost: **£30pp**

WILDLIFE . WATERNISH POINT

An extension of 'Watch Wildlife - Lochbay' we cruise by Ardmore Arches into deep coastal waters to enjoy bustling bird colonies, spot sea eagles and puffin. Dolphin and whale encounters are frequent and amongst the best on the island. Basking shark and orca can be spotted too. Duration: **3.5/4hrs** | Cost: **£45pp**

WILDLIFE . PUFFIN

Returning to our coast in Spring, they spend time at sea before nesting ashore in burrows to rear their young. While ashore we offer an extended 'Watch Wildlife - Waternish Pt' trip to visit their colony. Duration: **4.5/5hrs** | Cost: **£49pp**

AWAYDAY . MACLEODS MAIDENS

Sail from Lochbay to Dunvegan Head, Neist Pt and on to Macleods Maidens. The seascapes are vast with The Cuillins and Hebridean Archipelago on the horizon. Many birds, cetacean and basking shark transit here. Duration: **6/7hrs** | Cost: **£70pp**

Prices correct at time of going to press. Subject to change due to external economic factors outwith our control.
