## WILD ABOUT SKYE

a 5 day creative escape collaboration

### WHAT TO BRING

#### Personal Items

- Waterproof coat and trousers
- Warm layers
- Hat, sun hat/cap
- Sunglasses
- Sunblock
- Gloves
- Sturdy boots
- Wellies or wet shoes if desired
- Swimming and/or snorkelling kit if desired
- Backpack
- Plastic bag/dry bags to keep spare clothing or art materials dry.
- Water bottle and flask
- Lunchbox
- Binoculars
- Camera if desired
- An inexpensive rain poncho can make downpours much more comfortable, umbrellas rarely practical on Skye

#### Art Materials

- Sketchbook(s)
- Selection of paper up to max A1 size, including some heavier weight suitable for painting/mixed media
- Selection of ink, paint and dry media such as charcoal, pastels, pencils etc
- Drawing board
- Folio/plastic bags to keep work clean and dry while working outside.
- Something to sit on

#### Practical Planning

Consider having a small kit for working on the boat and a more extensive selection for on land, having a spare pencil case or two to section equipment out into can be really useful.
